

DEVELOPMENT

Downtown Houston

This list provides details on all public and private sector construction projects in downtown since 1995. Costs are estimated or otherwise not available. Interior renovations are not included unless the entire building, including its exterior, is part of the project scope.

Under Construction

Eighteen25

1825 San Jacinto St
Developer: Allied Orion Group
Est. completion: 2Q 2017
Development of a new 8-story, 242-unit residential building

1711 Caroline

1711 Caroline St
Developer: Leon Capital Group
Est. completion: 2Q 2017
Development of a new 5-story, 220-unit residential building

Aris Market Square

409 Travis St
Developer: Hines.
Est. completion 2Q 2017
Development of a new 32-story, 274-unit luxury high-rise residential building

Catalyst

1423 Texas St
Developer: Marquette Companies
Est. completion: 2Q 2017
Development of a new 28-story, 361-unit high-rise luxury residential building

Alexan Downtown

1410 Texas
Est. completion: 3Q 2017
Developer: Trammell Crow Residential
Development of a new 8-story, 285-unit residential building

Hotel Alessandra

GreenStreet Downtown
Developer: Midway Companies Inc.
Est. completion: 3Q 2017
Development of a new 21-story, 225-key, full-service luxury hotel

Le Meridien

1121 Walker
Developer: Services Group, Inc.
Est. completion: 3Q 2017
Redevelopment of the Melrose Building into 255-key hotel.

Franklin/ Milam Garage

Developer: Stanton Road Capital
Est. completion: 3Q 2017
10-story parking garage

Lyric Centre Garage

Developer: U.S. Property Management.
Est. completion: 1Q 2018.
8-story, 800-space parking garage

One Market Square Phase 1

Developer: Essex Commercial Properties.
Est. completion: 1Q 2018.
11-story, mixed-use retail and parking

Joint Processing Center

Developer: Harris County and City of Houston
Est. completion: 2Q 2018.
3-story 250,000 SF facility for HCSO & HPD.

Marlowe

1311 Polk St
Developer: Randall Davis
Est. completion: 4Q 2018
Development of a new 20-story, 100-unit condominium

AC Hotel by Marriott

723 Main
Developer: Newcrestimage
Est. construction start: 3Q 2017
Est. completion: 4Q 2018

High School for the Performing and Visual Arts

Est. completion: 4Q 2018
Development of a new 5-story HISD magnet school
Full block bounded by Austin, Capitol, Caroline, and Rusk streets

Capitol Tower

Developer: Skanska.
Est. completion 2Q 2019.
Development of a new 35-story, 750,000 SF office tower

Planned Residential

Developer: Marquette Companies
Est. construction start 2Q 2018.
Est. completion 2Q 2020.
Development of a new 24-story, 304-unit residential building.

Planned Residential

Developer: Trammell Crow.
Est. construction start 1Q 2018.
Est. completion 2Q 2020
Development of a new 40-story, 314-unit residential building with 12- story garage podium.

1810 Main

Developer: Fairfield Residential.
Est. construction start date not available.
Development of a new 10-story, 286-unit residential building.

6 Houston Center

Developer: Crescent
Est. construction start date not available
Development of a new 30-story, 600,000 SF office tower

Chevron Office Tower

Est. construction start date not available
Development of a new 50-story, 1.7 million SF office tower

800 Bell

Developer: Shorenstein Properties.
Est. construction start date not available
Redevelopment of the 45-story, 1.4 million SF office tower

Planned Residential

Developer: Camden Property Trust
Est. construction start date not available
Development of a new 20-story, 550-unit residential buildings
2-block, 2-phase development.

Parking Garage

Est. construction start date not available
300-car parking facility for Incarnate Word Academy and Annunciation Catholic Church

2017

Market Square Tower

Developer: Woodbranch Tower, LLC.
Completed: January 2017
Development of a new 40-story, 463-unit luxury high-rise residential building

609 Main at Texas

Developer: Hines

Completed: January 2017

Construction of a new 48-story, 1.05 million square-foot office tower. Includes 36 stories of office space over an 11-level parking garage

Developer: Alliance Residential Company

Completed: June 2016

Construction of a new 5-story, 207-unit residential building with underground garage. Full block between Main & Fannin and Bell & Leeland

Hampton Inn / Homewood Suites

Developer: American Liberty Hospitality.

Completed: March 2016

14-story, 173-key Hampton Inn & 127-key Homewood Suites.

1111 Travis

Developer: 1110 Main Partners, LP

Completed: March 2016

23-story, 475,000 SF office tower

500 Crawford

Developer: The Finger Companies

Completed: January 2016

7-story, 400-unit residential building with ground floor retail and an attached garage. The development is situated on two blocks just west of Minute Maid Park and includes the Prairie Street right-of-way between the two blocks.

Parking Garage

Polk between Louisiana and Milam

Developer: Trammell Crow

Completed: 3Q 2015

Construction of a new 16-story, 1,600-space, tunnel-connected parking garage on ½ block. Developed for Wells Fargo Plaza

2015

Holiday Inn

1616 Main Street

Developer: K&K Group

Completed: December 2015

Redevelopment of the Savoy Hotel into a 212-key Holiday Inn Hotel. Renovations include revamping the exterior, renovating the rooms and lobbies, and high-end restaurant and patio bar.

UHD Welcome Center & Garage

Completed: November 2015

3-story garage with 1 occupied floor above, plus adjacent Welcome Center.

ALLEY Theatre

Developer: METRO

Completed: October 2015

Full restoration of historic performance hall.

METRORail North, East and Southeast Corridors

Developer: METRO

Completed: North route: December 2013. Remaining routes: July/August 2014

North Corridor construction will continue the Main Street Red line and connect the University of Houston-Downtown to the Northline Station, north of 610. The downtown portion of the Southeast Alignment will connect residents and businesses to the East End Alignment and the Main Street Red line. The downtown segment runs a little more than a mile connecting the Theater District and the Convention District along Capitol and Rusk. Six downtown stations will be established – on Capitol at Crawford, Fannin, and Smith Streets and on Rusk at Smith, Fannin and Crawford Streets.

2014

SkyHouse Houston

1625 Main St.

Developers: Novare Group, Batson-Cook Development Co., Simpson Housing LLP, and Peter Dienna.

Completed: July 2014

Construction of a new 24-story, 336-unit luxury high-rise residential building. Features will include floor-to-ceiling glass, ceiling heights of more than 9 feet and high-end finishes, including stainless steel appliances, granite countertops, wood floors, expansive balconies and high-speed wiring. Rooftop amenities will include a club room, fitness center, pool and grilling area. Estimated cost: \$67 million.

JW Marriott

806 Main Street

Completed: September 2014.

Developer: Pearl Hospitality.

Redevelopment of the historic 1910 Carter Building into a 328-key hotel. Renovations include interior redesign as well as replacement of exterior façade.

GreenStreet

1200 Dallas

Developer: Midway Companies

Completed: 2014

Renovation of shopping/entertainment complex, previously called Houston Pavilions.

George Thomas “Mickey” Leland Federal Building

1919 Smith

Completed: 2015

Renovation of the 22-story federal building that houses regional offices of U.S. government agencies. Work includes replacement of the building exterior façade and related new lighting controls, upgrade building interior for ADA compliance; replacement of the building’s HVAC system; replacement of the exiting breeze-way from the parking garage to the building lobby; install new elevator, and reconstruct existing stairway for access from parking garage tunnel to breeze-way; reconstruction of plaza area; and upgrades to the perimeter security barriers. Estimated cost: \$80 million.

2013

Lancaster Hotel

701 Texas Ave.

Architect: Gensler

Completed: 2Q 2013

Renovation of the historic 93-room family owned boutique hotel built in 1926. Work included a natural light-filled lobby, redesigned interiors, new plumbing fixtures, updated electronics and intuitive key card technology. Estimated cost: \$10 million.

JPMorgan Chase Day Care Building

1414 Fannin

Developer: Skanska

Completed: February 2013

Construction of a new 10,000-square-foot day care building for the children of JPMorgan Chase employees. Estimated cost: \$2 million.

2012

1225 Louisiana Parking Garage

Developer: Brookfield Properties

Floor-by-floor dismantling of the former Sheraton-Lincoln Hotel, renovation of the 3-level below grade parking garage and construction of a new surface lot and entrance via elevator to the south side of Total Plaza. Total of 125 parking spaces.

Historic Wilson Building

500 Fannin at Prairie. The renovation and restoration of 500 Fannin encompassed a façade restoration and complete interior renovation of the historic Wilson Stationery and Printing Company Building. The 1931 architectural drawings by William Ward Watkin were used as the basis for the restoration work, in an attempt to restore each element of the building back to the original intent. The “moderne” style, four-story office structure includes a mezzanine and received new MEP infrastructure and tenant improvements for the third and fourth levels. The renovation included a historic restructuring of the 2-story first level, restoring the mezzanine level, which had previously been infilled. The project achieves LEED Gold status. The third and fourth floors of the building are the new headquarters of Fretz Construction Company. Estimated cost: \$8.8 million.

Houston House Apartments

1617 Fannin. The renovation of a 31-story, 396-unit high-rise apartment building built in 1966. Work included lobby renovations; updates to the fitness center, pool area and each residence; addition of a basketball court, new lounge, media, club and conference rooms; and infrastructure updates. Estimated cost: \$10 million.

2011

BG Group Place

811 Main

Developer: Hines

New construction of a 46-story, 973,012-square-foot office tower is home to BG Group, formerly located in the Galleria area. The project, which is pre-certified LEED Platinum, includes a nine-level parking garage with 1,130 parking spaces.

City of Houston Permit Headquarters and Green Resource Center

1002 Washington Ave.

Architect: Studio Red

The renovation of a 4-story, 187,000-square-foot building with basement into the City's permit headquarters and Green Resource Center.

City View Lofts

15 N. Chenevert St.

Developer: Silvestri Investments

A residential conversion of the Nabisco Cookie Factory/Purse Co. into 57 residential rental units. This historical landmark is on the national register and is within walking distance of Minute Maid Park.

Embassy Suites Hotel

1515 Dallas

Developer: American Liberty Hospitality

The 19-story property is adjacent to the George R. Brown Convention Center, the Hilton Americas Houston and Discovery Green. It is the first privately developed, full-service hotel built from the ground up in downtown since 1986. The property has 262 two-room suites, 6,000 square feet of meeting space, rooftop swimming pool, spa and fitness center, restaurant and street-level cafe and wine bar.

Harris County 1910 Courthouse

301 Fannin. Restoration of the nearly century-old former civil courthouse. The building now serves as the new home of the 1st and 14th Texas Courts of Appeal. Developer: Harris County. Estimated cost: \$65 million.

Harris County Jury Assembly Room and Transportation Plaza

Bounded by Franklin, Congress, San Jacinto and Caroline

Developer: Harris County

The site was converted from a parking lot to a public park with four below-grade, 250-seat jury assembly rooms which are tunnel connected to the Criminal Justice Center, Civil Courthouse, Juvenile Justice Center, and Family Law Center. Designed by PageSoutherlandPage. Estimated cost: \$16.8 million.

Hess Tower

1501 McKinney

Developer: Trammell Crow Company

New construction of a 29-story, 844,763-square-foot, Class A office tower with a 10-level parking garage overlooking the 12-acre Discovery Green Park. Hess Corporation is the sole tenant in the building.

Houston Ballet Center for Dance

Smith & Preston

Designed by Gensler

Developer: Houston Ballet

New construction of a 115,000-square-foot, six-story facility boasts nine dance studios, a black box dance laboratory for presentations as well as rehearsals, and artistic, administrative and support facilities for Houston Ballet and its Ben Stevenson Academy. The center more than doubles the space Houston Ballet had at its former home on West Gray. The structure is the largest dance facility of its kind constructed in the United States.

Julia Ideson Building

500 McKinney

Developer: Julia Ideson Preservation Partners and City of Houston

The restoration of the existing 61,700-square-foot building and new construction of a south “loggia” or open air gallery, an outdoor reading room and the addition of a 24,500-square-foot wing which will provide state-of-the-art facilities for the Houston Metropolitan Research Center and its irreplaceable collection of rare books, historic documents, photographs and maps. Estimated cost: \$38 million.

Tellepsen Family YMCA

808 Pease

Designed by Kirksey

Developer: YMCA of Greater Houston

New construction of a 120,000-square-foot facility replaced the 67-year-old downtown YMCA building. It has the capacity to serve more than 10,000 members and features additional exercise rooms, a chapel, woman's wellness center, daycare area, suspended running track, indoor swim center and more.

2010

Market Square Park

301 Milam

Developer: Houston Downtown Management District, City of Houston Parks Development and Downtown Redevelopment Authority/TIRZ #3

Originally the center of Houston's business district, this square was home to the city's public market and three city halls. The redesigned park includes Niko Niko's Greek & American Café, two dog runs, history walk, public art and green space. Estimated cost: \$3.2 million.

Portfolio Building

1712 Pease

Developer: Portfolio Associates, Inc.

New construction of a 20,000-square-foot, three-story building that is headquarters for the luxury hotel architecture firm Portfolio Associates, Inc. The building encompasses half a block and amenities include an outdoor dining deck, floor-to-ceiling glass, and 40 parking spaces. Estimated: \$5 million.

2009

One Park Place

1400 McKinney

Developer: Finger Properties

New construction of a 37-story luxury residential apartment high-rise with 346 rental units located on the west side of Discovery Green Park. Levels 2 through 7 include a parking garage and the ground floor features the 20,000-square-foot specialty grocery store, Phoenicia.

Tennison Lofts

110 Bagby

Developer: Yazdcorp Funds

Redevelopment of the historic 1922 Tennison Hotel into 32 residential rental units.

2008

Houston Pavilions

1201 Fannin St.

Houston Pavilions, an urban entertainment and retail hub, is bounded by Dallas St. to the north, Polk St. to the south, Main St. to the west and Caroline St. to the east. The development encompasses almost 700,000 square feet on three city blocks with approximately 200,000 square feet of office space. Entertainment and retail tenants include House of Blues, Lucky Strike, Yao's Restaurant and Lounge, Forever 21, Books-a-Million and others. Estimated cost: \$170 million.

Houston Public Central Library

500 McKinney St.

Renovation included IT infrastructure updating, rebuilding the plaza, expanding and enhancing children's and teen's services, and providing additional space for the public. Estimated cost: \$15 million.

Fire Super Station

1919 Louisiana

The new City of Houston Fire Department located in the south end of downtown serves downtown and midtown. It replaced fire stations 1 and 8. Estimated cost: \$12.4 million.

Discovery Green

1500 McKinney

This new urban park was developed on 11.78 acres in front of the George R. Brown Convention Center. Two restaurants, interactive fountains, public art, gardens, performance venue and dog runs are some of the elements located in the park. Estimated cost: \$122 million.

Sacred Heart Co-Cathedral

1111 Pierce

The existing Catholic Church built a new cathedral on a full city block. It is a Romanesque-style building with a 12-story bell tower. The sanctuary seats 1,820. Estimated cost: \$40 million.

Incarnate Word Academy

609 Crawford

New construction of a Fine Arts Center and the renovation of the existing building. The Fine Arts Center is located at the corner of Capitol and Crawford and features a 400-seat multi-purpose auditorium, lobby area, dressing and storage areas, and state-of-the-art theatre production equipment. Estimated cost: \$8.5 million.

2007

Walker at Main Garage

820 Main

An 11-story, 975-car parking structure at the corner of Main and Walker. The garage supplements parking for tenants in Pennzoil Place at 711 Louisiana, which is less than two blocks away. The garage has 6,222 square-feet of retail space on the ground level on the Main Street side and connects to the downtown tunnel system through 806 Main. Developer: Sunbelt Management. Estimated cost: \$20 million.

University of Houston-Downtown Academic Building and Parking Garage

Located on the Shea Street parking lot on the NE corner of Shea and N. Main St. New construction of a 128,200-square-foot building and a 500-space parking structure. Developer: University of Houston. Estimated cost: \$30 million.

919 Milam Parking Garage

919 Milam is a 26-level multi-tenant office building containing approximately 542,000 rentable square feet. Renovation included installation of a 300-space parking garage within the building's envelope. Developer: Hines. Estimated cost: \$11 million.

Christ Church Cathedral Expansion

1117 Texas Avenue. Expansion included the John S. Dunn Outreach Center, a 350-space parking garage, a new diocesan center to house the bishop and staff, renovation of the Latham and Hines buildings; a new three-story building for the youth program, Cathedral offices and a generous green space on 1117 Texas Avenue. Designed by PageSoutherlandPage. Developer: Episcopal Diocese of Texas. Estimated cost: \$22 million.

Bayou Place Expansion, Phase II

Texas Avenue at Bagby. Offices with parking on the ground level. Developer: The Cordish Company.

2006

Harris County Civil Justice Center

New civil courts building at Caroline at Franklin. Developer: Harris County. \$119 million.

Cotswold Project

The Cotswold Project focused on pedestrian enhancements, streetscapes, and street improvements in a 90-block area in the northeast sector of downtown, bounded by Smith to the west, Buffalo Bayou to the north, US-59 to the east, and Rusk to the south. Featured amenities of the Cotswold Project include fountains, public art, wider sidewalks, and street trees. Developer: City of Houston and the Houston Downtown Management District. Estimated cost: \$62 million.

Buffalo Bayou: Sabine Promenade

A 23-acre promenade along Buffalo Bayou in downtown. Hike/bike trails on both sides of bayou link Allen Parkway trail system to Sesquicentennial Park. Developers: City of Houston and Buffalo Bayou Partnership. Estimated cost: \$15 million.

Harris County Juvenile Justice Center

Rehabilitation of former criminal courts building. Developer: Harris County. Estimated cost: \$35 million.

2005

Byrd's Lofts

420 Main. Redevelopment of a three-story historic building into five luxury lofts with retail at street level. Developer: Fretz Construction. Estimated cost: \$1.5 million.

First City Tower

1001 Fannin. Renovation of a 49-story office building plaza, lobby and tunnel level. Developer: JMB Realty of Chicago. Estimated cost: \$11 million.

Kirby Lofts at Main

917 Main. Conversion of a former retail and office building into 70 residential units for sale with retail space on the ground floor. Developers: NBC Holdings, Inc. and The Randall Davis Company.

Metro Administration Building / Downtown Transit Center

1900 Main. A 14-story, 300,000-square-foot office building with 3,000 square feet of retail on the ground floor and nine bus bays. Developer: Metropolitan Transit Authority. Estimated cost: \$41 million.

Root Memorial Square Park

A full city block located at Bell, LaBranch, Austin and Clay streets. Renovation of a historic downtown park built in 1937. Redesignated as a pedestrian plaza with a basketball court for downtown's new multi-purpose arena, Toyota Center. Developer: City of Houston. Estimated cost: \$1.5 million.

Stowers Building

820 Fannin. Rehabilitation of an eight-story commercial building into office, residential and retail space. Developer: Spire Realty. Estimated cost: \$14 million.

Holy Cross Chapel: First Floor Chapel

905 Main. Interior renovation of a former office building into a Catholic chapel with related services and offices. Developer: Diocese of Houston/Galveston. \$1.3 million.

Downtown/Midtown Transit Project

Reconstruction of 20 downtown/midtown streets. Developer: Metropolitan Transit Authority. Additionally, \$60 million from City of Houston to rebuild water and sewer lines and \$8 million from the Houston Downtown Management for betterments. Estimated cost: \$268 million.

2004

Communication Workers of America Union Hall

1730 Jefferson. New construction of a three-story, 40,000-square-foot building with a meeting/banquet hall that seats up to 800 people. Developer: Communication Workers of America. Estimated cost: \$4.5 million.

Hotel Icon

220 Main. Conversion of a 1911 bank building into a luxury boutique hotel. Developer: The Randall Davis Company. Estimated cost: \$35 million.

Inn At The Ballpark

1520 Texas. Renovation of former World Trade Center into a 12-story baseball-themed boutique hotel with 202 rooms and a full service restaurant. Developer: Landry's Hospitality. Estimated cost: \$37 million.

Main Street Square

1000 Main. Construction of a pedestrian plaza in the geographic heart of downtown Houston. Includes a 250-foot reflecting pool with water jets, trees, public art, banners and upgraded sidewalks. Developer: Central Houston Civic Improvement, Inc. Estimated cost: \$8.9 million.

METRORail Line

7 ½- mile at-grade light rail line connects University of Houston-Downtown, downtown, Midtown, the museum district, Hermann Park, the Texas Medical Center and Reliant Park. Developer: Metropolitan Transit Authority. Enhancements by Main Street Market Square Redevelopment Authority and Houston Downtown Management District include upgraded sidewalks and pull outs, brick pavers, special streetlights, drinking fountains, additional landscaping, and a street clock. Contract for downtown Metro portion excluding rail cars, electrification systems and design fees: \$33.1 million. Cost of enhancements: \$10 million. Cost of entire Metro project: \$324 million.

Club Quarters Hotel

720 Fannin. Redevelopment of old Texas State building into boutique hotel. Developer: Masterworks Development Corporation. Estimated cost: \$30 million.

Southeast Quadrant Streetscape Improvements

Project upgraded sidewalks, added street lights and landscaping to area around new multipurpose arena, later named Toyota Center. Developer: City of Houston and Houston Downtown Management District. Estimated cost: \$8 million.

The Shops at Houston Center

1200 McKinney. Renovation of 190,000 square feet of retail space in Houston Center. Includes a new façade, exterior signage and graphics with expanded retail at street level. Renovated ground floor lobby. Developer: Crescent Real Estate Equities, Ltd. Estimated cost: \$10.6 million.

University of Houston-Downtown

1001 Commerce. New construction of a four-story, 90,000-square-foot classroom building for departments of Urban Teacher Education and Criminal Justice. Developer: University of Houston-Downtown. Estimated cost: \$18.2 million.

US 59/Eastex Freeway Ramps

Construction of new interchange and entry freeway ramps serving northeast/ballpark area of downtown from US 59/Eastex and I-10. TxDOT. Estimated cost: \$68 million.

Willow Street Pump Station

811 N. San Jacinto St. Historic sewage pump station converted to conference center and exhibition space. Developer: University of Houston-Downtown. Estimated cost: \$2.5 million.

2003

Austin Street

Capitol to Buffalo Bayou. Reconstruction of north/south street downtown. Includes storm sewer betterments, reconstruction of sidewalks, new street lights and traffic signals. Developer: City of Houston. Estimated cost: \$18 million.

Bayou Lofts
